Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

**TAKE A CHANCE! TOSS A PIG! MAKE SOME CASH!**

Have you ever pitched pork? Sent a pig sailing through the air? This is simple to do! Here is how it works! Purchase a rubber pig from one of our volunteers and when the time is announced each evening come to the in gate area of the arena. We will have a target placed in the ring and when you are given the signal throw your pig. The idea is that if the pig that you have rented for the day is closest to the center of the target (or in some cases closest to the target) you will receive half of the day's pot from the sale of the pigs. It is fun for everyone, give it a try!
